

I AM  
HERE

**Martijn Klem**

*Director of BOSK, The Netherlands*

BOSK is an association of people with cerebral palsy and parents, with a mission to support and encourage people to get the most out of life. We provide empathetic information upon diagnosis for families, help children make sense of their disability, and tackle issues like sexuality and ageing.

**Tell us where you are and why**  
**QUALITY OF LIFE matters to you**
